FIRST ORDER OF BUSINESS

Roll Call

Mr. Flint called the meeting to order and called the roll. Three Board members were present in person constituting a quorum.

SECOND ORDER OF BUSINESS

Public Comment Period

Mr. Flint stated that there were no members of the public present for comment and the next item followed.

THIRD ORDER OF BUSINESS

Approval of Minutes of the September 23, 2025 Meeting

Mr. Flint presented the minutes from the September 23, 2025 Meeting and asked for any comments or corrections. There being no changes from the Board, he asked to a motion of approval.

On MOTION by Mr. Craig Perry, seconded by Mr. Dean Perry, with all in favor, the Minutes of the September 23, 2025 Meeting, were approved.

FOURTH ORDER OF BUSINESS

Review and Acceptance of Fiscal Year 2025 Audit Report

Mr. Flint stated that the CDD is required to undergo an annual independent audit, and Grau & Associates was chosen as the auditor. The audit report, including the management letter, is included in the meeting agenda and begins on page 38 of the PDF. He noted that if there were any findings or recommendations they would be listed in the management letter. On page 39, it is confirmed that there are no findings or recommendations for the current or previous year and the CDD is in compliance with the Auditor General's requirements. As a result, the audit is considered clean.

On MOTION by Mr. Craig Perry, seconded by Mr. Dean Perry, with all in favor, Acceptance of Fiscal Year 2025 Audit Report, was approved.

FIFTH ORDER OF BUSINESS

Consideration of Resolution 2026-01 Approving the Proposed Fiscal Year 2027 Budget and Setting a Public Hearing

Mr. Flint reviewed the proposed budget attached to Resolution 2026-01 as Exhibit A. He recommended holding the public hearing on the June 23, 2026 meeting but wanted to confirm the date with the Board. He noted that the public hearing could also be scheduled in August with Bella Tara, rather than at the previously mentioned meeting.

Mr. Craig Perry asked if the meeting could be in July and asked if the Bella Terra had already been set. After discussion, Mr. Flint proposed July 28, 2026 as the new date for the hearing and discussed advertising Bella Tara's public hearing in July as well. It was stated that both items

would occur on the same day. Mr. Flint mentioned that the resolution would include the proposed budget, with assessments being mostly unchanged or slightly decreased compared to the previous year. Administrative costs have decreased by about \$1,600; field costs remain the same, and some line items have been adjusted. He emphasized that this is a preliminary budget and that there will be an opportunity for further review and discussion at the July meeting.

Mr. Craig Perry expressed a positive view of the proposed budget, stating it is consistent with the current year's budget and existing contracts. He noted that the start of building amenities, such as dog parks and a viewing dock, depends on the completion of the connection between Lake Bronson Drive and Ocoee Apopka Road, with these projects likely leading to increased costs once underway. He inquired about the expected timeline for starting these projects.

Mr. Walsh stated that according to the latest schedule from BHB, all approval processes, including District approval, are expected to be completed by the end of this year. The project should begin sometime in the first quarter of 2027.

Mr. Craig Perry explained that the construction process will begin with building the road, followed by installing irrigation and landscaping, while simultaneously constructing the amenities. He also noted that these actions likely will not take effect until the next fiscal year.

Mr. Flint stated that there will probably be an assessment increase going into Fiscal Year 2028.

Mr. Craig Perry explained that the amenities planned are mostly passive, and efforts were made to remove elements that could cause problems or serve as "attractive nuisances." For example, they eliminated features like a maintenance building, a small office center, and a floating viewing dock, due to concerns such as fluctuating water levels in the closed basin. Overall, they focused on reducing potential issues by excluding such features from the plans.

Mr. Flint suggested that if there were no questions or proposed changes, the Board could move forward by making a motion to approve Resolution 2026-01, setting the public hearing date to July 28, 2026.

On MOTION by Mr. Craig Perry, seconded by Mr. Dean Perry, with all in favor, Resolution 2026-01 Approving the Proposed Fiscal Year 2027 Budget and Setting a Public Hearing for July 28, 2026, was approved.

SIXTH ORDER OF BUSINESS

**Ratification of Non-Ad Valorem Assessment
Administration Agreement with Orange
County Property Appraiser**

Mr. Flint stated that item six involves ratifying an agreement with the Orange County Property Appraiser to use the uniform collection method, which is required by statute. He noted that this is a standard agreement previously reviewed by the Board and confirmed that they had already executed the agreement on behalf of the District. He requested the Board formally ratify these actions.

On MOTION by Mr. Craig Perry, seconded by Mr. Dean Perry, with all in favor, the Non-Ad Valorem Assessment Administration Agreement with Orange County Property Appraiser, was ratified.

SEVENTH ORDER OF BUSINESS

**Ratification of Work Authorization #2 with
VHB for The Ridge – Master Onsite and
Offsite Infrastructure Assistance and
Construction Administration**

Mr. Flint stated item seven involves ratifying work authorization #2 for VHB. This authorization covers support for both on-site and off-site infrastructure, including construction administration for the master project.

On MOTION by Mr. Craig Perry, seconded by Mr. Dean Perry, with all in favor, Work Authorization #2 with VHB for The Ridge – Master Onsite and Offsite Infrastructure Assistance and Construction Administration, was ratified.

EIGHTH ORDER OF BUSINESS

Staff Reports

A. Attorney

Ms. Mood had nothing more to add.

B. Engineer

Mr. Prowell provided an update regarding pond certifications, mentioning that this is the main issue currently being tracked. They indicated that submissions were made to St. Johns but were not approved and emphasized the need for action and requests from home builders.

Mr. Craig Perry asked what actions are being taken to address the issue involving both Lennar and Toll and inquired about how the situation should be handled.

Mr. Prowell advised the CDD to focus on addressing the issues with pond one, which is not performing as expected and is causing a trickle-down effect that impacts pond four. They recommended that the CDD engage with Toll, the party responsible for pond one, to ensure compliance and proper functioning. Staff clarified that pond four is identified as belonging to the CDD on the plat, but it has not been legally conveyed, and pond one has never been fully certified with the District. The Board emphasized the need to communicate effectively to protect the CDD's interests and get the necessary work completed. Mr. Prowell noted that recent certification attempts for pond four were not accepted, and proactive steps are being taken with Toll, including ongoing discussions with Mike and Stuart, and recent outreach by Jimmy. Mr. Craig Perry noted that it needed to be addressed and taken care of.

Mr. Prowell explained that there are several potential solutions being considered for the pond issues. The process may require modifying permits, such as converting the pond into a wet pond and making other adjustments. He noted there are advantages and disadvantages to this approach, and how it will ultimately unfold depends on further evaluation. He indicated that before discussing timing, it's important to fully understand the options being considered. Mr. Prowell explained that a general permit process could take four to six months, accounting for preparation, submission, and responding to District comments.

Board discussion ensued regarding the ongoing strategy for certifying the Lennar pond, with the goal of achieving certification as soon as possible. The Board acknowledged that resolving issues with Pond 1 is critical, as its constant bleed-off is causing standing water in Pond 4, which complicates the certification process for Pond 4. The responsibility for these actions was attributed to the builders, and meetings were scheduled to address the matter further. Despite the dry season, photographic evidence showed persistent water in Pond 4, confirming the ongoing problem.

C. District Manager's Report

i. Approval of Check Register

Mr. Flint presented the check register and offered to answer any questions. There were no questions and there was a motion of approval from the Board.

On MOTION by Mr. Craig Perry, seconded by Mr. Dean Perry, with all in favor, the Check Register, was approved.

ii. Balance Sheet and Income Statement

Mr. Flint presented the unaudited financials through the end of March. Mr. Craig Perry asked if the general fund is O&M and noted there is \$324,000 sitting there. Mr. Flint answered yes, that is the Operating Account. Mr. Flint explained that the funds collected from the tax bill will gradually be used up between now and October 1. Mr. Craig Perry emphasized the importance of ensuring that these funds earn interest, indicating they will look into this matter.

On MOTION by Mr. Craig Perry, seconded by Mr. Dean Perry, with all in favor, Accepting the Balance Sheet and Income Statement, was approved.

iii. Presentation of Number of Registered Voters – 403

Mr. Flint stated that each year the District is required to announce the number of registered voters as of April 15th. According to the Supervisor of Elections, there are currently 403 registered voters in the District. The District was created in 2021, and the terms were extended in 2023. In November 2028, the first two Board seats will transition to the general election, while the remaining two seats will do so in 2030. As a result, a majority of residents will not be on the Board until November 2030.

iv. Designation of November 24, 2026 as the Landowners' Meeting Date

Mr. Flint had a discussion with the Board on the need to hold a landowner election in November and recommended scheduling it for November 24th at 3:00 PM at their usual location. Although there was initial confusion about whether this date was near Thanksgiving, it was clarified that November 24th falls two days before the holiday and is a Tuesday. The meeting will be specifically for the landowner election, not a regular board meeting, and proxies may be used as in past elections. Only a proxy holder is required, not the full board, and there were no objections to the proposed date.

On MOTION by Mr. Craig Perry, seconded by Mr. Dean Perry, with all in favor, Designation of November 24, 2026 as the Landowners' Meeting Date, was approved.

D. Maintenance

i. Field Management Report

Mr. Wright reported that landscape maintenance has been progressing well, with the same vendor continuing services. The landscaping team transitioned to weekly lawn services as of April 1st, which will continue through October following a standard schedule of 42 mowings. Bush hogging for parcel 8 areas is scheduled quarterly on an as-needed basis, with the most recent service completed on February 2nd and the next expected at the end of May or in June, depending on growth. Additional proposals are being sought for maintenance along the main pond's south side where a beach area has been formed. The plan includes placing five piles to improve the shoreline. Much of the recent damage resulted from storms, but receding water levels now allow for repairs. These improvements should be available soon, and costs are not expected to be high.

Mr. Wright discussed several maintenance activities and observations about the ponds in the area. He noted a visible change in sand color in a specific area, which is roughly a 1,500-foot strip along the shoreline and does not require many pallets due to its narrowness. Aquatic maintenance is ongoing for ponds with standing water, while dry ponds are scheduled for a one-time disking because the mud and clay are hardening, affecting drainage and appearance. Water levels in the ponds have been fluctuating, and currently conditions are favorable for maintenance, so arrangements are being made with a vendor to perform the one-time service.

Board discussion ensued about maintenance activities concerning the apartment ponds, which are usually dry. Specific ponds mentioned include P2, P4, and P5, with P2 being mostly dry and located on the northeast side of the District, near a giant retaining wall behind homes. Maintenance is performed as needed, such as aquatic maintenance during the summer months when water accumulates, and disking when the mud hardens to improve drainage. The Board and staff touched on trash collection, which is not a contracted service but handled by their crew as needed. Recent observations indicated that trash levels were low, and actions were taken to secure gates to prevent dumping in certain areas.

NINTH ORDER OF BUSINESS

Other Business

Mr. Flint asked for any other business to discuss. Hearing no comments, the next item followed.

TENTH ORDER OF BUSINESS

Supervisor's Requests

There were being no comments, the next item followed.

ELEVENTH ORDER OF BUSINESS

Adjournment

Mr. Flint stated asked for a motion to adjourn.

On MOTION by Mr. Craig Perry, seconded by Mr. Dean Perry, with all in favor, the meeting was adjourned.

SECTION B

RESOLUTION 2026-03

[ANNUAL ASSESSMENT RESOLUTION]

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE RIDGE AT APOPKA COMMUNITY DEVELOPMENT DISTRICT MAKING A DETERMINATION OF BENEFIT AND IMPOSING SPECIAL ASSESSMENTS FOR FISCAL YEAR 2026/2027; PROVIDING FOR THE COLLECTION AND ENFORCEMENT OF SPECIAL ASSESSMENTS, INCLUDING BUT NOT LIMITED TO PENALTIES AND INTEREST THEREON; CERTIFYING AN ASSESSMENT ROLL; PROVIDING FOR AMENDMENTS TO THE ASSESSMENT ROLL; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Ridge at Apopka Community Development District ("**District**") is a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, for the purpose of providing, operating and maintaining infrastructure improvements, facilities and services to the lands within the District; and

WHEREAS, the District has constructed or acquired various infrastructure improvements and provides certain services in accordance with the District's adopted capital improvement plan and Chapter 190, *Florida Statutes*; and

WHEREAS, the Board of Supervisors ("**Board**") of the District has determined to undertake various operations and maintenance and other activities described in the District's budget ("**Adopted Budget**") for the fiscal year beginning October 1, 2026 and ending September 30, 2027 ("**Fiscal Year 2026/2027**"), attached hereto as **Exhibit A**; and

WHEREAS, Chapter 190, *Florida Statutes*, authorizes the District to fund the Adopted Budget through a funding agreement and/or through the imposition of special assessments on benefitted lands within the District, which special assessments may be collected by direct bill or on the tax roll pursuant to Chapter 197, *Florida Statutes*; and

WHEREAS, in order to fund the District's Adopted Budget, the District's Board now desires to adopt this Resolution setting forth the means by which the District intends to fund its Adopted Budget.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE RIDGE AT APOPKA COMMUNITY DEVELOPMENT DISTRICT:

1. **FUNDING.** The District's Board hereby authorizes the funding mechanisms for the Adopted Budget as provided further herein and as indicated in the Adopted Budget attached hereto as **Exhibit A** and the assessment roll attached hereto as **Exhibit B ("Assessment Roll")**.

2. OPERATIONS AND MAINTENANCE ASSESSMENTS.

- a. **Benefit Findings.** The provision of the services, facilities, and operations as described in **Exhibit A** confers a special and peculiar benefit to the lands within the District, which benefit exceeds or equals the cost of the assessments. The allocation of the assessments to the specially benefitted lands is shown in **Exhibit A** and **Exhibit B** and is hereby found to be fair and reasonable.

- b. **O&M Assessment Imposition.** Pursuant to Chapter 190, *Florida Statutes*, a special assessment for operations and maintenance ("**O&M Assessment(s)**") is hereby levied and imposed on benefitted lands within the District and in accordance with **Exhibit A** and **Exhibit B**. The lien of the O&M Assessments imposed and levied by this Resolution shall be effective upon passage of this Resolution.
 - c. **Maximum Rate.** Pursuant to Section 197.3632(4), *Florida Statutes*, the lien amount shall serve as the "maximum rate" authorized by law for operation and maintenance assessments.
3. **DEBT SERVICE SPECIAL ASSESSMENTS.** The District's Board hereby certifies for collection the FY 2026 installment of the District's previously levied debt service special assessments ("**Debt Assessments,**" and together with the O&M Assessments, the "**Assessments**") in accordance with this Resolution and as further set forth in **Exhibit A** and **Exhibit B**, and hereby directs District staff to affect the collection of the same.
4. **COLLECTION AND ENFORCEMENT; PENALTIES; INTEREST.**
 - a. **Tax Roll Assessments.** If and to the extent indicated in **Exhibits A and B**, certain of the operations and maintenance special assessments (if any) and/or previously levied debt service special assessments (if any) imposed on the "**Tax Roll Property**" identified in **Exhibit B** shall be collected at the same time and in the same manner as County taxes in accordance with Chapter 197 of the *Florida Statutes*. The District's Board finds and determines that such collection method is an efficient method of collection for the Tax Roll Property.
 - b. **Direct Bill Assessments.** If and to the extent indicated in **Exhibits A and B**, certain operations and maintenance special assessments (if any) and/or previously levied debt service special assessments (if any) imposed on "**Direct Collect Property**" identified in **Exhibit B** shall be collected directly by the District in accordance with Florida law, as set forth in **Exhibits A and B**. The District's Board finds and determines that such collection method is an efficient method of collection for the Direct Collect Property.
 - i. Operations and maintenance assessments directly collected by the District shall be due and payable on the dates set forth in the invoices prepared by the District Manager, but no earlier than October 1st and no later than September 30th of Fiscal Year 2026/2027.
 - ii. Debt service assessments directly collected by the District are due in full on December 1, 2026; provided, however, that, to the extent permitted by law, the assessments due may be paid in two partial, deferred payments and on dates that are 30 days prior to the District's corresponding debt service payment dates all as set forth in the invoice(s) prepared by the District Manager.

iii. In the event that an assessment payment is not made in accordance with the schedule(s) stated above, the whole assessment – including any remaining partial, deferred payments for the Fiscal Year, shall immediately become due and payable; shall accrue interest, penalties in the amount of one percent (1%) per month, and all costs of collection and enforcement; and shall either be enforced pursuant to a foreclosure action, or, at the District's sole discretion, collected pursuant to the Uniform Method on a future tax bill, which amount may include penalties, interest, and costs of collection and enforcement. Any prejudgment interest on delinquent assessments shall accrue at the rate of any bonds secured by the assessments, or at the statutory prejudgment interest rate, as applicable. In the event an assessment subject to direct collection by the District shall be delinquent, the District Manager and District Counsel, without further authorization by the Board, may initiate foreclosure proceedings pursuant to Chapter 170, *Florida Statutes*, or other applicable law to collect and enforce the whole assessment, as set forth herein.

c. **Future Collection Methods.** The decision to collect special assessments by any particular method – e.g., on the tax roll or by direct bill – does not mean that such method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.

5. **ASSESSMENT ROLL; AMENDMENTS.** The Assessment Roll, attached hereto as **Exhibit B**, is hereby certified for collection. The Assessment Roll shall be collected pursuant to the collection methods provided above. The proceeds therefrom shall be paid to the District. The District Manager shall keep apprised of all updates made to the County property roll by the Property Appraiser after the date of this Resolution and shall amend the Assessment Roll in accordance with any such updates, for such time as authorized by Florida law, to the County property roll.

6. **SEVERABILITY.** The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining portions of this Resolution, or any part thereof.

7. **EFFECTIVE DATE.** This Resolution shall take effect upon the passage and adoption of this Resolution by the Board.
